The NIC Girls' Swimming championship is determined by adding the number of dual meets won and the place value of the position of finish at the NIC Meet.					
If a team wins 10 duals and finishes 1st at the NIC Meet . Points earned is 20					
1st=10	2nd=9	3rd=8	4th=7	5th=6	6th=5
	7th=4	8th=3	9th=2	10th=1	11th=0
Rank the teams by points earned, if there is tie in points, then the result of the dual meet between the schools breaks the tie.
